Violence in the Church

	Yes	Needs Attention
1. Do you have a disaster response plan that also addresses violent attacks?	☐	☐
2. Do you have a disaster response team that can help your ministry prepare for a violent event?	☐	☐
3. Has your disaster response team talked about worst-case scenarios and looked at what areas of your ministry are most vulnerable to a violent attack?	☐	☐
4. Has your disaster response team talked with professionals like first responders and emergency managers about how to prepare for and respond to a violent attack?	☐	☐
5. Does your disaster response team regularly participate in drills to review and practice what you intend to do during and after an emergency?	☐	☐
6. Do you regularly communicate with your congregation about what to do in the event of a violent attack? Do they know where emergency exits are, what the procedures are for their children in Sunday school, etc.?	☐	☐
7. Has your ministry invested in security equipment that would enable staff and volunteers to limit access to specific areas of the building, such as the children's wing?	☐	☐
8. Does your ministry have security cameras, panic buttons, silent alarms, or other types of security equipment to help ensure the safety of your members?	☐	☐
