Service Project Agreement

In return for the receipt of services offered by the Sponsoring Organization ("Organization"), Service Recipient ("Recipient") agrees to the following terms of this Service Project Agreement ("Agreement"):

I acknowledge that the Organization's performance of the Service Project ("Project") described above involves risk to the Recipient and to any persons in Recipient's care or at the location of the Project, and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease, bodily injury, death, emotional injury, personal injury, property damage, and financial damage.

Recipient hereby releases Organization, its agents, employees, volunteers, and other representatives (collectively "Indemnified Parties") from any and all injury and liability arising from the Project and associated activities. Recipient further agrees to indemnify, defend, and hold harmless Indemnified Parties for any and all injury or liability arising directly or indirectly out of the Project and associated activities, except to the extent that an injury to any of the Indemnified Parties is caused by the negligence of any of the Indemnified Parties. In no event shall the Indemnified Parties be liable for any damage or injury to Recipient or to any person coming upon the premises of Recipient in connection with the Project. Recipient acknowledges and agrees to reimburse Organization for any and all damage to Organization's property and injury to Organization's Indemnified Parties that result from the acts of Recipient.

Organization makes no guarantee regarding the quality of the work done as a part of the Project. Further, Organization disclaims any warranty, express or implied, including but not limited to, the implied warranty of merchantability and fitness for a particular purpose regarding the Project.

If a dispute over this Agreement or any claim for damages arises, the Recipient agrees to resolve the matter through a mutually acceptable alternative dispute resolution process. If the Recipient and the Organization cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution pursuant to the rules of the American Arbitration Association.
