Instructions for adding a Brotherhood Mutual banner to your website

Within this packet you will find images and the following instructions for adding these banners to your website. Adding banners requires that you have access to make changes to your website and understand how to make changes either within HTML or within your website's content management system (ie, WordPress, et al).

300×50 Horizontal Web Banner

If you would like to use this banner on your website...

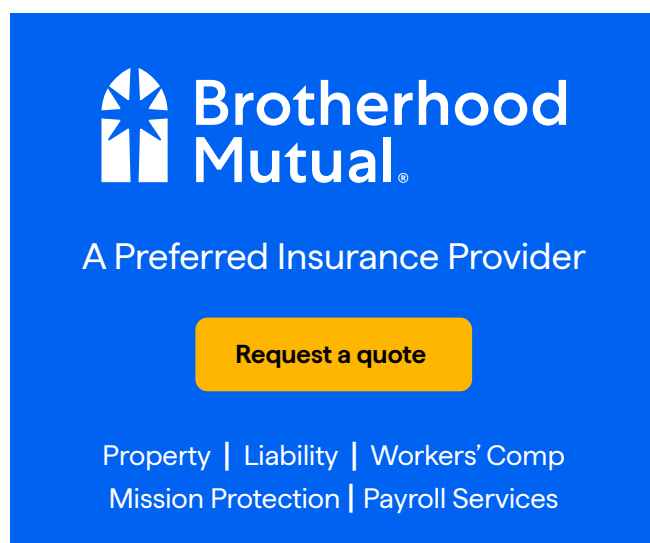

Embed it on a web page and link it to this URL:

https://www.brotherhoodmutual.net/mpp.htm?utm_id=MPPBanner300x50

300×250 Horizontal Web Banner
